

Computer Architecture

Instructions for Compree

Compree for CA course will be held as per the following details:

Date: 10/12/20

Time: 10.00 AM to 12.00 Noon

The test will be conducted through **google forms**. On the day of the test, the google form link will be shared with you through the comment box in google meet. Please login into the google meet on the day of the test at 10 AM to receive the link. **All students** should use the URL of Prof. S. Mohan's class to join google meet and receive the test link (<https://meet.google.com/mtx-qjyu-zzw>).

The test will consist of descriptive type questions which you have to answer in your handwriting on neat sheets of paper. Put page number and your ID no. on top of each page you use.

After you have completed answering the test, make a **single PDF file** of your answers and **name the file as your ID No.**

The single PDF file that you have made should be uploaded through google forms. Do not forget to press the submit button. You will be allowed to do submission only once. No submissions would be accepted through email etc.

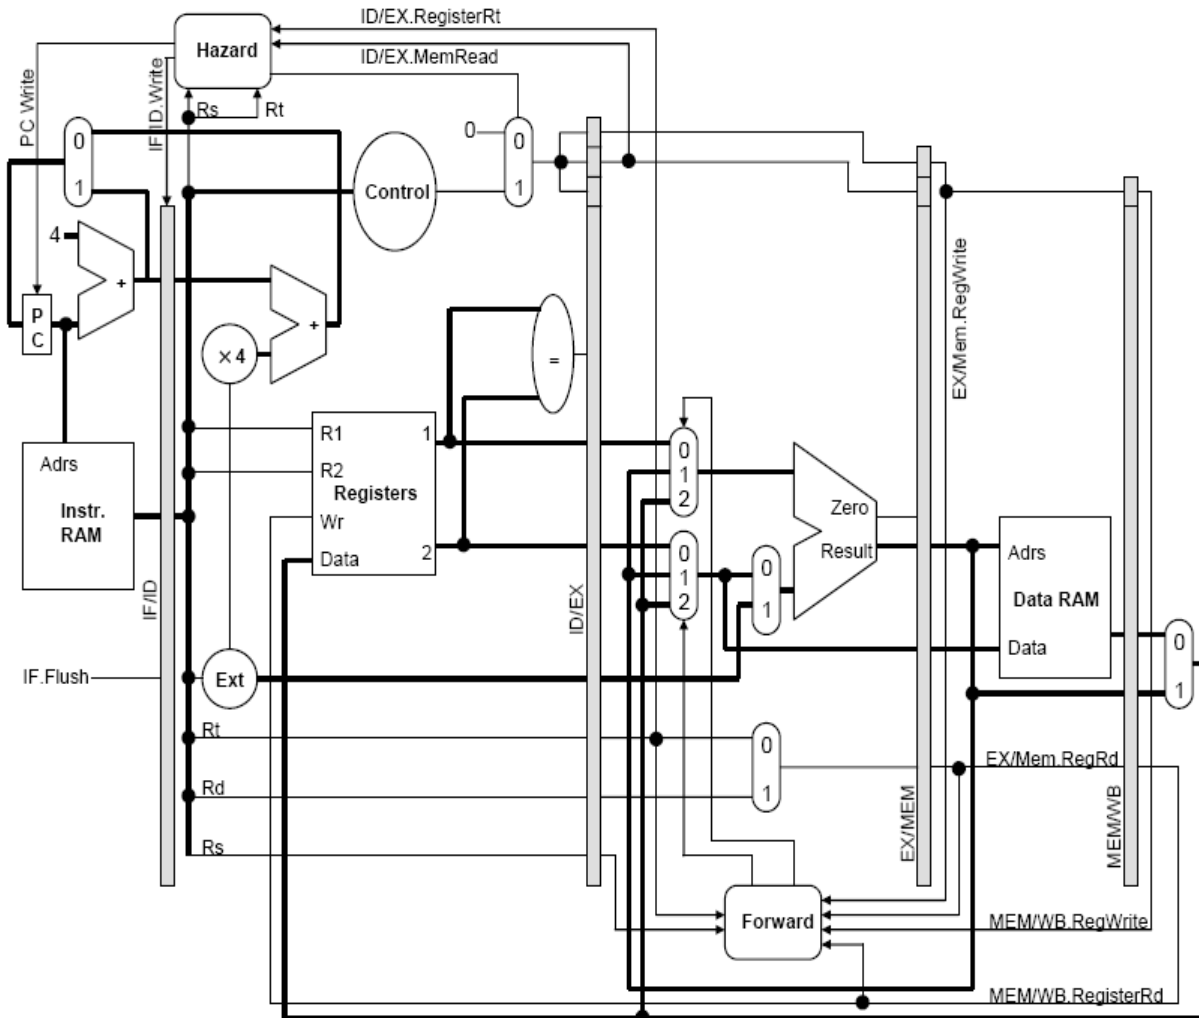

Important: The test has been designed for 105 mins followed by 15 mins for making the PDF file and uploading the same. It is student's responsibility to make the submission well within time. Submission received after this time will be marked late and will be penalized. We recommend that you should stop working on the test by 11.45 AM and use the rest of time only for submission.

➔ TAKE PRINT OUT OF NEXT TWO SHEETS (5 COPIES) AND KEEP WITH YOU FOR SOLVING QUESTIONS RELATED TO PIPELINE/MULTICYCLE DATAPATHS
